

JROTC... Caddo Parish Public Schools' finest leadership program!

-LTC Daniel E. Durr, Caddo Parish Director of Army Instruction

Congratulations 8th Grader Parents!

Soon your student will have the opportunity to select next year's 9th grade high school courses.

Consider Army JROTC! Caddo Parish has nearly 3,000 cadets in JROTC.

JROTC is free and fully and nationally accredited. Here in Louisiana, JROTC can be substituted for Physical Education and Health, which are graduation requirements. [Your Cadet will have to take at least two years of JROTC to receive this credit.](#)

JROTC helps prepare young people to take their place in society. It is a citizenship program and carries no military obligation. In fact, very few JROTC Cadets go on to military service. Instead, we focus on:

- Problem Solving
- Time Management
- Team Development
- Leadership Positions
- First Aid
- College Preparation
- Goal Setting
- Conflict Resolution
- Career Exploration
- Setting Priorities
- Organizing Resources
- Scholarships
- Decision Making
- Self Motivation
- Community Involvement
- Anger Management
- Job Interviewing
- Service Learning

There are several varsity, junior varsity, and after school activities and weekend competitions to keep [YOUR cadet](#) focused, busy, out of trouble, and best of all... **no dues!**

Color Guard **Drill Team** **Adventure Team** **Orienteering**
Rifle Team **Academic Team** **Summer Camp** **Field Trips**

Discuss JROTC with your young person.

Also feel free to contact any of our High School JROTC programs.

C.E. Byrd JROTC	868-0369	North Caddo JROTC	375-3761
